Event Resources

On Oct 10th, 2018 the SCCP hosted its annual South Coast species at risk networking event. This year the event was held in North Vancouver and had almost 50 participants from a wide range of environmental backgrounds from across the South Coast.

The SCCP talked about its newest resources, including the our most recent publications: [Species at Risk and Critical Habitat: Understanding Responsibilities & Making Informed Decisions on Private Land](#) [1]. and [Gardening with Native Plants in the Lower Mainland and Fraser Valley](#) [2]
