### Conservation Connections 2019 Presentations

Submitted on October 23, 2019

Thanks to all of those that participated in the SCCP's Conservation Connections Event on Oct. 16, 2019 in Surrey! The event was a big success with the positive feedback telling us that people enjoyed the opportunity to network and learn from the many engaging speakers.

If you missed the event, or would like to review the presentations, you can download them in PDF format [HERE](#) [1]. at the bottom of the event page.
